

Located on the east side of I-85, just south of the I-285 and I-85 interchange, facing south for northbound traffic.

Great long reading digital targeting northbound traffic on I-85 heading towards the NE suburbs and I-285 from downtown Atlanta. This area is a choke point during the afternoon rush and board effectively targets all traffic heading northbound on I-85 and exiting off on I-285. This area of the market, known as Spaghetti Junction, is a must buy for clients looking to have good overall market coverage.
